We're generous

Our product offers local and global publishers an additional platform in which to display advertising and promotional materials (culinary, travel and lifestyle), based on a generous RS model.

How does this work?

The table supplies you with a top notch product and with the real estate (physical, tablet and mobile). partners bring traffic and advertisers.

What's in it for your business?

- Additional, top grade advertising real estate, risk free and investment free.
- A great chance to expand the range of products you offer your customers.
- An attractive revenue-sharing model
- Exposure and cooperation with an innovative product.
- Returning traffic.

**What's
next?**

The worldwide foodie crowd is constantly expanding and is a characteristically consumer oriented audience, set on living life to its fullest.

Tourism and lifestyle guides are moving online. The audience is constantly on the outlook for new products, abandoning the old ones on the way.

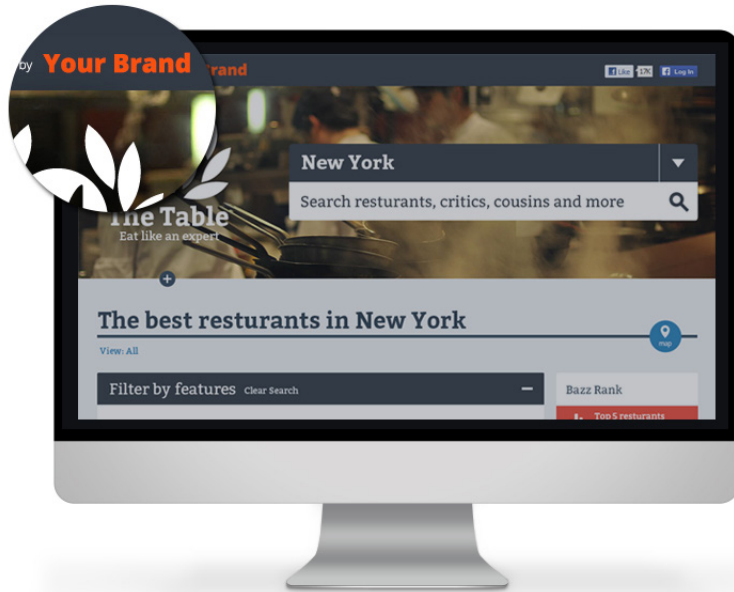

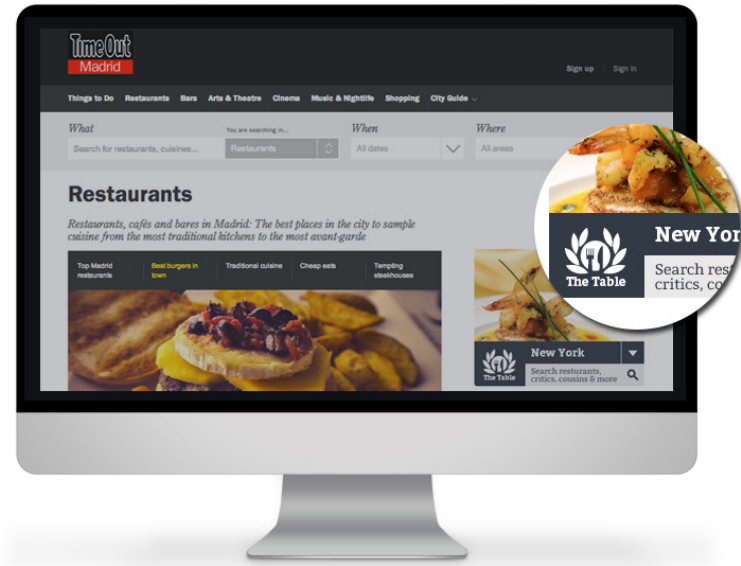

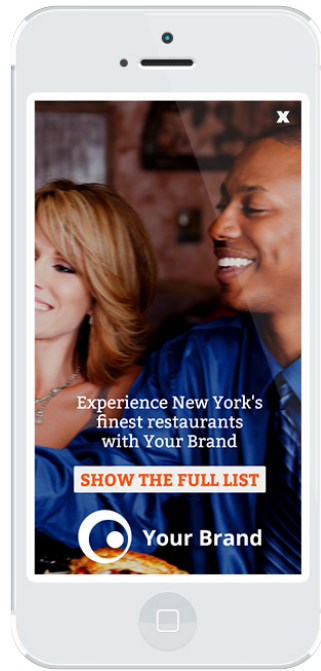

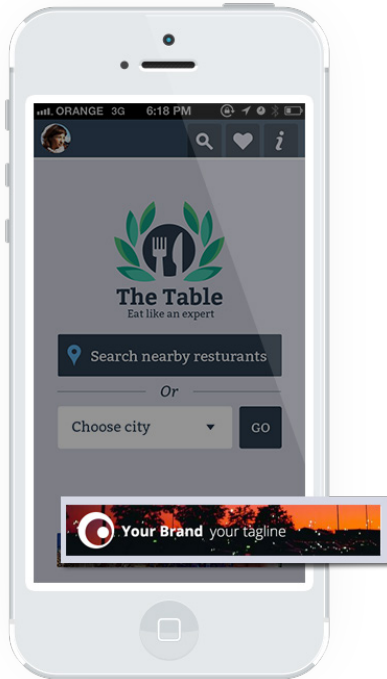

The table is a fresh new product with a fresh new approach.

As such, we offer an attractive business model to partners who can generate traffic.
